Introduction

Regular and punctual school attendance is important. Pupils need to attend school regularly if they are to take full advantage of the educational opportunities available to them by law. Alpha Training recognises its responsibilities to ensure pupils are in school and on time, therefore having access to learning for the maximum number of days and hours.

Our policy applies to all children registered at this school and this policy is made available to all parents/carers of pupils who are registered at Alpha Training on our website.

This policy has been written to adhere to the relevant Children Acts, Education Acts, Regulations and Guidance from the Department for Education in addition to guidance from the Local Authority.

Although parents/carers have the legal responsibility for ensuring their child's good attendance, the staff at Alpha Training work together with other professionals and agencies to ensure that all pupils are encouraged and supported to develop good attendance habits. Procedures in this policy are followed to ensure this happens.

Children who are persistently late or absent soon fall behind with their learning. Children who are absent from school frequently develop large gaps in their learning which will impact on their progress and their ability to meet age related learning expectations. A child whose attendance drops to 90% each year will, have missed two whole terms of learning.

Aims and Objectives

This attendance policy ensures that all staff are fully aware of and clear about the actions necessary to promote good attendance.

Through this Policy we aim to:

Improve pupils' achievement by ensuring high levels of attendance and punctuality.

Achieve a minimum of 95% attendance for all children, apart from those with chronic health issues.

Create an ethos in which good attendance and punctuality are recognised as the norm and seen to be valued by the school.

Raise awareness of parents, carers and pupils of the importance of uninterrupted attendance and punctuality at every stage of a child's education.

Attendance Policy

Work in partnership with pupils, parents, staff and the Education Welfare Service so that all pupils realise their potential, unhindered by unnecessary absence.

Promote a positive and welcoming atmosphere in which pupils feel safe, secure, and valued, and encourage in pupils a sense of their own responsibility.

Establish a pattern of monitoring attendance and ensure consistency in recognising achievement and dealing with difficulties.

Recognise the key role of all staff, but especially class teachers, in promoting good attendance.

We maintain and promote good attendance and punctuality through:

Raising awareness of attendance and punctuality issues among all staff, parents and pupils.

Ensuring that parents have an understanding of the responsibility placed on them for making sure their child attends regularly and punctually.

Equipping children with the life skills needed to take responsibility for good school attendance and punctuality appropriate to the child's age and development.

Maintaining effective means of communication with parents, pupils, staff and governors on school attendance matters.

Developing and implementing procedures for identifying, reporting and reviewing cases of poor attendance and persistent lateness.

Supporting pupils who have been experiencing any difficulties at home or at school which are preventing good attendance.

Developing and implementing procedures to follow up non-attendance at school.

Definitions Authorised absence

An absence is classified as authorised when a child has been away from school for a legitimate reason and the school has received notification from a parent or carer. For example, if a child has been unwell and the parent telephones the school to explain the absence.

Only the school can make an absence authorised. Parents do not have this authority. Consequently not all absences supported by parents will be classified as authorised.

Unauthorised absence

An absence is classified as unauthorised when a child is away from school without the permission of the school.

Therefore the absence is unauthorised if a child is away from school without good reason, even with the support of a parent.

To maintain appropriate registration processes.

To maintain appropriate attendance data.

To communicate clearly the attendance procedures and expectations to all staff, governors, parents and pupils.

To have consistent and systematic daily records which give detail of any absence and lateness.

To follow up absences and persistent lateness if parents/carers have not communicated with the school.

To inform parents/carers what constitutes authorised and unauthorised absence.

To strongly discourage unnecessary absence through holidays taken during term time.

To work with parents to improve individual pupils attendance and punctuality

To refer to the Educational Welfare Service any child whose attendance causes concern and where parents/carers have not responded to school initiatives to improve.

All staff should be aware that they must raise any attendance or punctuality concerns to the Headship Team with responsibility for monitoring attendance.

Alpha Training / Hawthorn Farm
Attendance Policy

- Informing the school in advance of any medical appointments in school time. For the absence to be recorded as a medical absence we do require evidence from the doctor or dentist. (Appointment card/letter)
- Making requests for authorised absence in term time, only if absolutely necessary as these are not automatically authorised.
- Talking to the school as soon as possible about any child's reluctance to come to school so that problems can be quickly identified and dealt with.
- Children who are persistently late miss a significant amount of learning, often the most important aspect, as the beginning of the day is where the teacher explains the learning and what each child is expected to achieve.
- Where there have been persistent incidents of lateness parents/carers will receive a letter advising them of the concerns and the school will provide opportunities for parents/carers to seek support and advice to address these issues.

ABSENCES

Parents/carers should contact the school on the first day of their child's absence. When parents/carers notify us of their child's absence it is important that they provide us with details of the reason for their absence.

All absences are recorded as either authorised or unauthorised absences on the computer. It is important that we receive accurate information from parents with reasons for the child's absence. This information is used to determine whether the absence is authorised or unauthorised. The Centre Manager has the responsibility to determine whether absences are authorised or unauthorised.

Where we have not received reasons for a child's absence then we send a letter requesting these details to parents/carers to complete. If this letter is not completed and returned by the specified date then the absence will be recorded as an unauthorised absence.

Illness

When children have an illness that means they will be away from school long term, the school will do all it can to send material home, so that they can keep up with their school work.

Parental Request for Absence from School for Holiday

With effect from September 2013 the government abolished the right of head teachers to authorise absence specifically for holidays of up to 10 days per year if special circumstances exist. Instead, head teachers will only be allowed to grant leave of absence for any reason if they are satisfied exceptional circumstances exist. Parents will need to contact their registered school in the event of them wishing to take holiday leave during term time.

Addressing Attendance Concerns

Alpha Training expects attendance of at least 95%.

Alpha Training / Hawthorn Farm
Attendance Policy

It is important for children to establish good attendance habits early on in their primary school career. It is the responsibility of the Centre Manager and staff to support good attendance and to identify and address attendance concerns promptly. Initially concerns about attendance are raised with parents via letters which are sent home. There will be opportunities for the parent/carer to discuss reasons for absence and support to be given by the school with the aim to improve attendance.

Monitoring Attendance

Our office staff, has the responsibility for ensuring that all of the attendance data is accurately recorded on Alpha Training's attendance software. Regular meetings are held with the Centre Manager to discuss all attendance concerns and appropriate actions are taken following these meetings such as letters sent to parents or meetings arranged to discuss attendance concerns with parents.
